A Restaurant that I Visited

Pizza Hut is one of the popular restaurants in Hong Kong. I went there with my parents for dinner last month.

Pizza Hut is famous for Italian dishes. We ordered garden salad as a starter. It was fresh and delicious. We ordered supreme pizza and spaghetti Americana as main courses. They were tasty. We finished our dinner with some desserts. We had sweet and creamy pizza for dessert. It was mouth-watering and crispy. In short, all the food we ordered was tasty and wonderful.

We were surprised when we received the bill. The meal was quite cheap. We paid only \$300 for 4 people.

I think we will visit this restaurant again because it is a nice restaurant. The food is delicious and the price is reasonable. In addition, the place is clean and the waiters are polite. I would highly recommend it to my family and friends.
