My New Year Resolution

1<sup>st</sup> January, 09

It is the first day of a new year and I plan to make a brand new start. This year, I will try my best to improve my English because I wish to go to a good secondary school.

My English is weak. Therefore, I will read more English books. When I come across some words that I do not understand, I will ask my teacher, parents or friends for help. I think they would help me kindly. Every day, I will spend more time to practise my English skills and do more exercises.

If I can improve my English, I will be overjoyed! I think my parents will be happy if I can go to a good secondary school. I will work hard in this year to make my wish come true.
