My Favourite Hobby

My favourite hobby is playing football. I like to play football when I have free time.

I learnt to play football when I was six. Dad taught me to do it. I felt happy when I first played football.

I enjoy playing football because it is exciting. It keeps me healthy and fit. It also makes me smarter and helps me think faster.

I play football every Saturday and Sunday. I do it twice a week. I play football in the park with my dad or my friends.

I like playing football because it is fun.
