My Dream Occupation

My dream occupation is being a firefighter. I wish to be a firefighter when I grow up.

Firefighters put out fires. They need to save people in fires and accidents. Being a firefighter is a difficult job.

I wish to be a firefighter because I want to help people in trouble. I think it is exciting to be a firefighter. I will need to do more exercise if I become a firefighter. I will be brave and strong too.

To make my dream come true, I will do more exercise. I will keep good eyesight. I will also eat more food and study hard.

I hope I will be a firefighter when I grow up.
