A Visit to Spaghetti House

Dear Miss Leung,

Last Sunday was Mum's birthday. My family and I went to 'Spaghetti House'. It is in a shopping center. It is an Italian restaurant.

The waiters showed us to our table and gave us some menus. They were very friendly. For her starter, Mum chose a piece of toast. My sister ordered lobster soup. Dad ordered salad. I ordered salad too. For their main course, Mum and Dad shared a plate of spaghetti. I ordered a juicy steak and my sister ordered a salami pizza. I don't like brownies. Mum doesn't like brownies either, so we shared a piece of cheese cake for dessert. Dad ordered fried ice-cream. My sister ordered red bean soup. We all thought that the food was delicious. For drinks, I chose grape juice, my sister chose lemon tea, Mum chose coffee and Dad chose coffee too.

We all felt happy and full. We walked home slowly. I think we will go to that restaurant again because the food is very tasty.

Lots of love,
Venus
