Dear Principal Chan,

Re: Achievements of Your Graduates

It is ecstatic for us to welcome the academic year of 2018-2019 by way of sharing with you the commendable achievements made by your graduates in the past few years. We would like to share the delight with you by attaching a list of notable recognitions which your graduates have been rewarded.

This year, we are pleased that by God's grace, 99.2% of our candidates met the 22222 requirement and 79.7% of them received offers from bachelor programmes of the universities in Hong Kong. Our students have shown their potentials and been recognized as outstanding students both at team and individual levels. One of our graduates this year, NING Xin Joanne, participated in the Hong Kong Scholarship for Excellence Scheme organised by the Education Bureau. Some of our students joined the 'First Global Challenge' International Competition held in Mexico as the Hong Kong secondary school representative team in August. We are also glad that we have won The Best School Team for the twelfth time in Sai Kung district Outstanding Students Election. With this endorsement, we will remain dedicated in nurturing our students to fully unleash their potentials and cultivating them for future leadership roles.

Sun Kei Secondary One Admission Talk 2019/2020 will be held soon. We would be grateful if you could distribute the related leaflets to your students. Our school is celebrating its 20th anniversary this year. Our theme is "In Grace & Endeavour, We Sour" and a series of activities will be held. Please feel free to visit the 20th Anniversary Highlights session on our school website for the latest information. Should you have any enquiries, please contact Ms. CHAU Ka-yu at 2191 6022.

Cordially, I wish you a blessed year ahead in your educational endeavours and sincerely hope that our cooperation in facilitating children with life changing education will grow from strength to strength.

Yours sincerely,

Dr. POON Suk-han, Halina, MH
