Dear Principal Chan,

It is my great pleasure to share with you that the following students, who previously studied in your school, demonstrated exceptional academic achievements as well as fine service and conduct in our school examinations in 2020-2021.

<u>Name</u>	<u>Class</u>	<u>Awards</u>
Au Yeung Hei Tung	1B	◇ Sixth in Form, True Light PTA Scholarship
Wong Tsz Yeuk	6A	◇ True Light Legacy Scholarship, HK\$1,000 Scholarship
Yau Tin Yuet	6B	◇ Fourth in Form, True Light Scholarship

We firmly believe that building up good students not only rests in the hands of their parents and the present school, but also their primary schools. A sound primary education is indispensable for nurturing students' future success. Therefore, I am writing to express my gratitude to your school for the quality education you and your team have provided for these aspiring individuals.

We hope to continue to receive students like yours who succeed beyond all our expectations and look forward to more promising years ahead.

Yours sincerely,

Tam Kim Hung
Principal
