Dear Ms. Chan,

**Outstanding Academic Achievement of Your Graduates**

I am very pleased to inform you of the outstanding performance of your graduate(s) who continued their secondary education in our College. This year, the following student(s) sat for the Hong Kong Diploma of Secondary Education Examination (HKDSE) and achieved outstanding results:

<u>Name of Student(s)</u>	<u>Total DSE Score</u>
Kam Sheung Ming	32

The success of your graduate(s) is attributed largely to the dedication and effort of you and your teachers for the student's solid academic foundation built during their elementary studies. I would like to take this opportunity to congratulate and thank your colleagues for their contribution. Please extend my gratitude to them; their dedication to education definitely bears fruit.

May the Holy Spirit guide us and bless us in our work.

Yours sincerely,

Ms. Mok Kit Yue  
Principal
